1. A group of 20 Soviet citizens from Mukden under the leadership of N. Poliavin (unidentified) arrived in Dairen recently. A part of this group will be sent to Vladivostok and the remainder will be employed in Soviet factories and offices in Dairen. The Soviet authorities intend to evacuate a majority of the Mukden Soviet citizens to Dairen.
2. The Soviet authorities in Dairen are sending some of the civilian employees in Dairen, such as engineers and office workers and some of the troops stationed in Dairen, back to the USSR. They intend to replace these persons with Soviet citizens from China and in some cases with Japanese.
